

Valentine's Day February 14,2012

Lift up the spirits of the residents and brighten their day with a balloon on Valentine's Day. For a donation of \$5.00 to the Wayne County Nursing Home Foundation, Inc. you can send an 18inch Mylar Red Heart balloon with a personalized message on it to your loved one or a special someone. It is a wonderful sight to see as all of our Residents enjoying their balloons and all of the special messages from families and friends. The dining rooms were ablaze with red balloons again last year.

The message can be 4 lines and no longer than 10 inches in length. Examples:

Mom,
Happy Valentine's Day
We love you
Chris, Jack & Mary

Jack
Happy Valentine's Day
Enjoy your day
Mary & Andrew

The Valentine balloons will be delivered to the residents by volunteers unless you wish to deliver it. They will be delivering the balloons between 10 a.m. and 3 p.m. on Tuesday, February 14. If you choose to deliver it the balloons will be available in the Recreation Room.
