

Rosalie Attwell making her homemade Bisquicks for the June 9, 2006 Strawberry Social. Rosalie is here at the Wayne County Nursing Home and Rehab Center doing her therapy with us. She lends us her experts advise to the baking process. We found she was a proud receiver of the Betty Crocker Award back in her High School days. I might add those bisquicks were – yummy – She knows her way around the Kitchen

Iva Kent also helped in baking her bisquick recipe for the Strawberry Social. Carol Gent was playing on the keyboard to add another touch to the social.
